Strength of the wheat market at Laverpool and Budapest and crep damage reports from Missouri and Nebraska also augmented builtish sentiment. During the day May ranged between \$1.02% and \$1.03%. The market closed strong with May at \$1.03%. The market closed strong with May at \$1.03% and Jugat \$1.03%. Notwithstanding liberal receipts and a poor demand for the cash grain by shippers and exporters the corn market was firm all day owing to active bidding by shorts. Offerings were meagur throughout the entire seasion. Demand was chiefly for the July delivery. Cash corn was up \$450. The market closed firm at net gains of \$450. The market closed firm at net gains of \$450. Oats were firm on buying of the May delivery by cash interests. The market was influenced by the firmness of wheat and corn. At the close prices were up \$4554. to \$450.

Provisions were firm all day owing to a general demand based on a lie advance in the price of live hogs. At the close prices were serligh to l'Inc higher. The leading futures ranged as follows:

Possibly Unsettled for Wednesday and Little Change in Temperature.

OMAHA. March 23, 1909. The pressure continues high over the country east of the Mississippi river and the weather is generally clear everywhere east of the river. It continues generally cloudy throughout the central valleys, and light and scattered precipitation has occurred in the extreme timer valleys within ight and scattered precipitation has occurred in the extreme upper valleys within
the last twenty-four hours. A harometric
copression overlies the southwest and concations are decidedly unsettled throughout
that section, with light rains and snows
falling in southern that, southern Newada
and northern Arizona. Temperature conditions continue unusually even for the souson over the entire country, no important
nange having occurred in any section since
the southwest will probably cause unsettled
weather in this vicinity by Wednesday, preceded by fair tonight, with not much change
in temperature tonight or Wednesday. Record of temperature and precipitation
compared with the corresponding day of
the last three years:

HOGS-Hogs sold around for morning, but the trade was slow at the advance. Salesmen all had pretty strong ideas and were determined to force as much advance as possible, while packers were very reluctant to hee hogs go any higher. very reluctant to hee hogs go any higher. As a result, buyers picked out here and there such hogs as looked good to them, paying prices that were largely 5c higher than yesterday. On the other hand, in a good many eases, they were hidding no more than steady prices. With receipts large and with salesmen holding on for stronger prices, the movement was naturally slow and the forencen was well advanced before very much business was transacted.

While the market was at no time what night be called active, the hogs kept sell-

might be called active, the hogs kept sell-ing and by midday practically everything was cleaned up. The big bulk of all the hogs went at \$6.50% 65 and on up as high as \$6.50.

THEIR RECORD Omaha's Democratic City Council THINK IT OVER

Our citizens have every reason to be proud of them and the record they have made as "THE BEST CITY COUNCIL OMAHA HAS EVER HAD." You ought to help re-elect them if you believe in keeping in office men who have been tried and found to be true representatives of the people.

ANDY HANSEN, Councilman First Ward. LEE BRIDGES, Council Second Ward. L. B. JOHNSON, Councilman Fourth Ward. GOODLEY F. BRUCKER, Councilman Fifth Ward. W. S. SHELDON, Councilman Sixth Ward. ALMA JACKSON, Councilman Seventh Ward. DR. JOHN C. DAVIS, Councilman Eighth Ward. THOMAS McGOVERN, Councilman Ninth Ward. PETER E. ELSASSER, Councilman Tenth Ward. M. F. FUNKHOUSER, Councilman Eleventh Ward. M. L. ENDRES, Councilman Twelfth Ward. They have given a business-like administration of city affairs.

They have paid off more old debts than all other Omaha City Councils, they having paid \$275,000 of old bonded debt and \$110,000 of old warrant They have reduced taxes an aggregate of \$15.60 on each thousand dollars

of Omaha property during their term of office, as compared with the former three years of Republican rule, and have issued no bonds to pay running expenses as did the preceding administration. Under this administration, more miles of new pavement and more blocks

of new sewers and new sidewalks have been placed than under any council be-They have placed and have kept the city on a cash basis. They have per-

mitted no over-laps in city funds, thus no deficits. All transactions of the City Council are held in open meeting. No star chamber work. No corporation lobby at this Council's meetings. They have been free

from corporation domination. Fairness of treatment to all has been their watchword, the humblest citizen receiving the same courteous treatment as the largest corporation lawyers. This Council has been free from prejudice and fanaticism. They have enforced the laws and made many better ones.

They have granted more police and given better fire protection. They have installed in the city more than 340 new electric street lights;

They secured a contract whereby garbage is removed free to all citizens They have secured the opening of Twenty-fourth street. Several other Councils failed They have secured a viaduct to cross the railway tracks at Bancroft street.

They have secured a reduction of Telephone and Electric light rates. Among its most notable acts has been that of acquiring the Levi Carter Park-Omaha's future greatest park.

They have secured universal street railway transfers. They have secured the removal of unused street car tracks. They have secured the removal of electric light and telephone poles from

the down town streets. They have secured the removal of unsightly street signs from sidewalks They have redeemed all platform pledges.

They are not politicians, only three of them were ever candidates for any public office other than the one they now hold, and only two of these ever held public office before.

By giving to the city a business administration of its affairs, they have re-established confidence, thereby increasing real estate values and encouraging all building operations. You ought to vote for them. They need your support. Polls open from

12 m. to 9 o'clock p. m. Democratic voters in any of the wards can vote for all of them at the primaries, March 30. They are to be nominated by the city at large.-ADV.
